

Free Roof with Solar

Pfister Roofing & Energy are offering an innovative new solution that can pay up to \$500,000 for every 100,000 sq. ft. to be applied towards a new roof.

HIGHLIGHTS

- + Requires zero capital expenditure.
- + Offers significant electricity savings over the life of the project.
- + Utilizes an off-balance-sheet solar lease structure.
- + Benefit from a single-source warranty for the roof and solar system.

Limited funds available on a first come first served basis.

Contact us to find out if your company can benefit from this opportunity!

Action Items:

1. Provide us with 12 months of utility bills to conduct an energy analysis.
2. Schedule with us to conduct a roof and facility assessment.

Pfister Roofing & Energy will deliver a Roof & Solar Proposal detailing, (1) Free roof specs (2) Solar electricity rate (3) Solar system design.
